Silver Jubilee of Pope Francis 27th June 1992- 27th June 2017

Pope Francis celebrated Mass on Tuesday morning in the Pauline Chapel of the Apostolic Palace, together with the members of the College of Cardinals present in the city, in order to mark the 25th jubilee of his ordination to the episcopacy.

The Dean of the College of Cardinals offered greetings and best wishes to Pope Francis on the occasion, recalling the words of St. Paul the Apostle in his Second Letter to the Corinthians, "Make room for us in your hearts," Cardinal Sodano said. "Holy Father, you need not tell us to make room for you in our hearts," he continued, pledging him all the love and reverence due the Successor to Peter.

In remarks following the Readings

of the Day, the first of which was taken from the Book of Genesis, counting the episode in which Abraham and Lot part ways, Pope Francis focused on the three imperatives that God gives the Father of Faith: "Arise!" "Look out!" "Be hopeful!"

The Holy Father went on to say that the message God gave to Abraham in that day, He also gives to each of those present in this day: to be on the way, about the journey; to look toward the ever-retreating horizon, and to hope without stint, despite it all.

'Celebration of Names' with Noirin Ni Riain

The work of this day Saturday 22nd July will be to celebrate the Feast of Mary of Magdala not only to learn from the great wisdom and beauty of the "Apostle of Apostles", as she is named in early Christian writings, but we will celebrate OUR own names too. This wonderful friend and follower of Christ was keenly aware of the power of the sound of her name; you remember when Jesus called her by name and she had that sudden miraculous acquaintance with him in the garden.

These times, we have forgotten how to serve our name – which is our identity in the world – with reverence and respect. Our fore-parents in Scripture were keenly aware of the magic, the welcoming freedom which valuing our name completely facilitates. Through story, song and prayer, we will be fully present to ourselves, each other and the Divine through the grace of names and naming. *'The glory of God is every person fully alive.'* (St Irenaeus).
