Ostia Christian Community Living

As students are preparing for their leaving certificate exams no doubt their parents will have the job of helping find accommodation wherever they decide to further their education. For those who will be thinking of coming to Limerick our Ostia Community offers the ideal space for students.

Situated just off O'Connell St. , in the centre of Limerick City, the community residence is an ideal location for getting to and from all of Limerick's Colleges. A quiet location for study, beautiful accommodation with a meal each evening.

Our hope would be that this experience will help you to benefit as much as possible from your university experience by providing you with a constructive, helpful, and Christian home away from home.

There is a monthly contribution which includes all utilities , breakfast evening dinner from Monday to Friday. The accommodation caters for just six male students, each with their own individual room and with fully equipped en-suite facilities. Parking is not available for residents, but there is a secure area to house a bicycle.

As members of this community students are expected to commit themselves to their studies and to all that goes with that. Participation in the Ostia Community is intended to facilitate this, not to make it more difficult. With this in mind, the programme specific to the community is one that leaves plenty of space for college, for studying, for participating in sporting and cultural activities, and, of course, for your social life.

Information leaflets are available at the back of the church please take one and give to a friend or relative who may have someone coming to one of the colleges or the University of Limerick.

Thought for Today

Hospitality is deeply embedded in human nature and to say someone is hospitable is a welcome compliment. It is no accident that Jesus made use of table fellowship to give people a concrete experience of the indiscriminate love and universal compassion of God. When we **celebrate the Lord's Supper, we experience again that proclamation of the Kingdom.** We join our prayer with the prayer of Jesus and the great events of salvation are made present in our time and place. Welcomed as we have been, it is our calling then to show the same love and compassion in our daily lives.

Prayer God of welcome and compassion: we thank you the Holy Eucharist, in which we know again your love and compassion. Help us to become what we have received. Amen. www.tarsus.ie

St. Rita : Exam Prayer

St. Rita, Saint of the Impossible, bring serenity to my mind and heart while I take my exams.

Give me a quiet confidence in my gifts and talents.

Remind me of my dignity and preciousness

in a world where we compete in exams, for jobs, for a place in life.

Anoint my memory with the power of recall.

Keep me calm on the day of my exams.

May my results be for enrichment of my life
and the education of my heart.

We ask this prayer through Christ our Lord.
Amen.
