## Father's Day - A Prayer

*God of strength and tenderness, respond to the fathering needs in us,  
the need for protection and care,  
the need for listening and time, the need for praise.*

*Bless all fathers.*

*Help them to become partners in love,*

*fathers in faith, leaders by example.*

*We pray for fathers with little access to their children,  
divorced, separated, alone,*

*battling with alcohol, with anger, with violent impulses,  
fathers without faith,*

*addicted to work, losing touch, bewildered.*

*We pray for children hurt by distant or absent fathers,*

*victims of violence; confused by separation,*

*insecure or manipulated between parents in conflict.*

*Help us, to see God as father and friend.,*

*Faithful, strong and gentle.*

AMEN

L. Ryan

## Thought for Today

Sleep that knits up the ravell'd sleeve of care is a daily therapeutic miracle, healing the heart. There is a gentle reflection of this in John 11, "Lord, if he has fallen asleep, he will be all right." Sometimes, it is better to leave things alone and they will come along of their own accord. Parents know this very well...you just have to trust the process / the growth. The typical heresy of our time is not quietism but rather meticulous activism, often declining into pernicky interference. Some things just take time and the courage of non-interference!

Prayer You are the mystery at the heart of all and in you we put our trust. When we are asleep, when we are awake, you are silently at work. In you, we place our trust. Amen. [www.tarsus.ie](http://www.tarsus.ie)

## World Meeting of Families National Collection

Dear Sisters and Brothers,

The Fourth National Collection for the World Meeting of Families is taking place this weekend. As you know, Pope Francis is coming to Ireland in August for it and his itinerary in Dublin and Knock was published this week. **A Pope doesn't come every day to a country so it'll be a huge event with people coming from 104 countries and 600,000 attending the closing Mass in the Phoenix Park. An event such as this costs so I'm appealing to you to be as generous as you can in contributing to this Fourth National Collection.** And a big thanks for your generosity so far. It is a huge help in organising what will be a really wonderful event in the life of the Church and wider society in Ireland.

Every blessing,

+ Brendan Leahy
