What does God want of his Church?

The Synodal Pathway calls us to be new ways of church together growing in inner **freedom is the heart of discipleship. But 'where do we go from here?' what does God want of his church ?** How can we be a community of faith so as to serve the Good News and offer to all, the word of life? As we imagine our future together, we stand in need of fresh inspiration and new energy. The regeneration of faith **can have no other genesis than God's living Word.**

The Scriptures, a gift which goes on giving can energise us with a new vision. May the words of Jesus be our **experience too: 'This text is being fulfilled today even as you listen'. May the Spirit guide our reading and our listening our living and our proclamation of the Good News.**

Here in St. Augustine's let's respond to the Holy Spirit.

We will form a steering committee to guide us along this hopeful and exciting Synod Journey. If you have any ideas on this and would like to get involved please join us for tea or coffee on Pentecost Sunday 5th June after the 11.15am Mass. We extend this invitation to all who attend our church.

The more aware we are of our blessings and burdens the more ready we are to find where God is leading us . The awareness prayer helps us to pay attention to how God is present to us and where God may be calling us.

We come before you Holy Spirit

As we gather together in your name.

By baptism, we are members of the body of Christ,
the people of God.

Give us the encouragement we need
to bring faith, hope and love in abundance
to meet the challenges before us
on the Synodal Pathway.

Come Holy Spirit, fill the hearts of your faithful
and kindle in them the fire of your love.

Send forth your Spirit and we shall be created
and you shall renew the face of the earth.
